*To our Past and Potential Sponsors,*

It may be hard to believe, but the Vincent Massey Robotics Team 4903 is now five years old! And yet again, we've been hard at work continuing to grow our team and finding new ways to make it more sustainable for our school. This year, we've introduced two new courses for students to take as part of their high school credits where they will be learning about and working on all aspects of our robot, in the hopes that we will be able to build more competitive robots while also teaching more of our students about all the inner workings involved!

We were so excited last year to have won two Industrial Design Awards, sponsored by GM, for the overall design and functionality of our robot. We were also very pleased to have earned a spot at the World's Robotics Competition, held in Detroit, Michigan. While we didn't make it past the quarter-finals there, we learned so much from the experience, and two of our students had the additional opportunity of representing our country as Canadian Ambassadors, and even got to meet the Governor General of Canada, Julie Payette.

The biggest obstacle for us continues to be that, each new year when the new challenge is released, we require new parts for the robot, new field pieces to practice with, and of course, tools and equipment to build with, and transportation to competitions, especially now that most of these competitions will be taking place out of town. Your assistance and financial support are essential to our success, allowing our students to do their best and reach all new heights each season. In return for your efforts, we will be glad to advertise your company name, logo and website to the fullest extent, and we and our Massey families will be forever thankful for your help in achieving continued success. If you are interested in having a donation receipt issued, please feel free to contact us for more information.

Thank you for expressing an interest in sponsoring our team for the 2018-19 robotics season, and we look forward to continuing to speak and work with you in the future.

Sincerely,

*Vincent Massey Robotics Team*

## SPONSORSHIP INFORMATION

Thank you again for your interest in sponsoring our team. The Massey Robotics Team 4903 is excited to receive your support, and to show you our gratitude, we'd like to give you more than just our thanks. The chart below provides a breakdown of the different sponsorship levels and the benefits associated with each. Material donations, including parts, machinery, tools, printing, etc. will also be appreciated, and honored as sponsorship donations of an equivalent approximate value.

LEVEL	CONTRIBUTION	BENEFITS TO SPONSOR
<b>PLATINUM SPONSOR</b>	\$2000+	<ul style="list-style-type: none"> <li>• <b>A decal of the sponsor's logo will be placed in a visible spot on the robot,</b></li> <li>• Sponsor's logo will be displayed on our teams uniforms*,</li> <li>• Sponsor's logo will be displayed on a banner in our pit area during competitions,</li> <li>• Sponsor's logo will be posted on our team website with a link to your desired webpage, and</li> <li>• You will receive a framed team photo to display.</li> </ul>
<b>GOLD SPONSOR</b>	\$1000-\$1999	<ul style="list-style-type: none"> <li>• <b>Sponsor's logo will be displayed on our teams uniforms*,</b></li> <li>• Sponsor's logo will be displayed on a banner in our pit area during competitions,</li> <li>• Sponsor's logo will be posted on our team website with a link to your desired webpage, and</li> <li>• You will receive a framed team photo to display.</li> </ul>
<b>SILVER SPONSOR</b>	\$500-\$999	<ul style="list-style-type: none"> <li>• <b>Sponsor's logo will be displayed in our brochure and promotional materials,</b></li> <li>• <b>Sponsor's logo will be displayed on a banner in our pit area during competitions,</b></li> <li>• Sponsor's logo will be posted on our team website with a link to your desired webpage, and</li> <li>• You will receive a framed team photo to display.</li> </ul>
<b>BRONZE SPONSOR</b>	\$100 - \$499	<ul style="list-style-type: none"> <li>• <b>Sponsor's logo will be posted on our team website with a link to your desired webpage, and</b></li> <li>• <b>You will receive a framed team photo to display.</b></li> </ul>

\*Donations received or promised by the end of October 2018 will be included on this year's shirts; other donations made after this date will be included on the shirts for the following year.

## SPONSORSHIP PROCEDURE

Becoming a sponsor for the Vincent Massey Robotics Team 4903 Sponsor is very simple. Just follow the steps below:

- Fill out the **Team Sponsorship Form** (on the next page)
- The team can only accept cash up to a value of \$100. Any donation of more than \$100 can be paid by check.
  - Please make **checks payable to:** Greater Essex County District School Board (GECDSB)
  - **Memo:** Massey Robotics Team 4903
- Please **contact the team's teacher advisor, Brad Awad**, to arrange a drop-off or pick-up time for the cheque. Contact information is located at the top of this page. Alternately, if you would like to drop off your cheque and form in person, we would be happy to arrange a tour for you so you can meet the team and see their work in progress.
- Email us at [masseyrobotics4903@gmail.com](mailto:masseyrobotics4903@gmail.com) to send us your organization's logo and web link** to post on our team website. A higher quality image is preferred for the logo.
- Please inquire with our teacher advisor if you would like to receive a tax receipt.

The Massey Robotics Team 4903 would like to thank you in advance for your generosity and let you know that your donation will be put to the best use possible, funding a student's learning. Your donation is greatly appreciated and is assisting us in reaching our goals. Once again, thank you!

If you have any questions or concerns, please contact Brad Awad at the phone number above.
